WHAT WILL YOU RECEIVE?

- A Tour de Brisbane limited edition founders cap and personalised T-Shirt.
- A 15% personal referral code to give to friends and family. Pull out the Tiktok and Instagram... you're an influencer now!
- Automatic membership in our Athlete Advisory Group, so you get a meaningful say in the designing of the 2023 course and program.
- First look at the final course video before it is live!
- VIP invitation to the Festival Beer Garden.
- Priority processing at the registration tent... VIPs don't wait in line!
- Discounted entries into Robbie's Gran Fondo on the Gold Coast, Tour of the Tropics in Cairns, and any other opportunities we come across.
- Access to the private Founders Club Facebook Page, where we will share invitations to the Athlete Advisory Groups, course launches and VIP hospitality events. This will also become your forum for speaking with other local founders who may be going for practise rides prior to the event. We love a good networking opportunity.

WHAT DO WE WANT FROM YOU?

- We want you to spread the word of your legend status as a Tour de Brisbane founder. Share your discount code far and wide, bring your mum, dad and the postman to the event and help our team grow the event to the biggest in Australia.

HOW DO I JOIN?

- Confirming your place in the Founders Club requires an initial \$50 deposit, which will then be credited from your 2023 entry when the date is live!

THE FINE PRINT...

- You must be a past participant of the 2019, 2021 and 2022 Tour de Brisbane and an advocate for the event.
- Just like our love of cycling, once you're in the Founders club you're in it for life!
