1. Through the UCI Gran Fondo World Series events

Each UCI Gran Fondo World Series event grants qualification rights for the UCI Gran Fondo World Championships. Based on the results of each race, the first 20% of athletes in each age group will be qualified for the UCI Gran Fondo World Championships. The 20% is calculated based on the number of starters in each age group, and not on the number of riders having finished the race.

In addition, the first three riders of each official age category will qualify directly for the World Championships, independently of the number of starters in that age group. Riders must start the race in their age category and finish the race to gain qualification.

The age categories of the UCI Gran Fondo World Championships are:

19-34
35-39
40-44
45-49
50-54
55-59
60-64
65-69
70-74
75-79
Etc...

Age groups applicable to the UCI Gran Fondo World Series are defined by the rider's age on December 31st of the year of the qualifier event. Age groups applicable to the UCI Gran Fondo World Championships are defined by the riders' age on December 31st of the year of the World Championships.

As qualification for the UCI Gran Fondo World Championships starts as of September in the preceding calendar year, any riders who qualify before January 1st and who change age groups during the year of the UCI Gran Fondo World Championships will qualify as per their age group during the year of the qualifier event but will be registered in their new age category for the UCI Gran Fondo World Championships.

At the UCI Gran Fondo World Championships, medals and titles will be awarded for men and/or women as soon as 1 rider is registered in the respective 5-year age category.

Qualification for the individual time trial and road race is determined as follows:

- Qualifier events of the UCI Gran Fondo World Series hosting only a road race will grant qualification for both the road race and time trial at the UCI Gran Fondo World Championships.
- Qualifier events of the UCI Gran Fondo World Series hosting a time trial and a road race will grant qualification for each respective event at the UCI Gran Fondo World Championships - i.e. time trial or road race.
- Qualifier events of the UCI Gran Fondo World Series only hosting a time trial will grant qualification for the time trial only at the UCI Gran Fondo World Championships.

The names of riders having gained qualification through the UCI Gran Fondo World Series will be communicated on the UCI Gran Fondo World Series website and will receive an official email from the UCI inviting them to register for the UCI Gran Fondo World Championships via the dedicated online registration portal.
