## GPS Wayfinding On Your Mobile

GPS wayfinding on your mobile will provide 'live' routing on the event days to re-route around road closures. Accessible via Apple Maps, Waze and TomTom.

We encourage you to give extra time for travel and prepare your route using one of these services on your mobile in order to minimise delays and use the quickest route.

## Community Fundraising

Byron Bay Lighthouse Run on Sunday 14 May is organised by local Lisa Parkes, with the assistance of the Lighthouse Run committee, an amazing group of volunteers and sponsors.

The iconic Byron Bay Lighthouse Run is back for its 15th year better than ever, joining the lineup alongside the expanded Byron Bay Triathlon wellness weekend!

The Byron Bay Lighthouse Run will again stick to its roots as a charity event, this year raising funds for Indigenous Carbon Australia, Mullumbimby and District Neighbourhood Centre, and Safe Haven.

Join the fun with family and friends by entering either the 1km, 6km or 10km Walk/Run. All funds raised go directly to these very worthy local community charities.
